FINANCIAL GUIDELINES

- Each participant is required to cover their own expenses for a short-term mission's trip whether through a combination of self-funding and support fundraising. The trip cost is communicated at the beginning of the team's selection process. **Full funding must be provided prior to departure.** Normally, this is expected four weeks prior to the departure date. However, each team will have its own set of target dates for funding.
- Each participant is requested to develop a support team during the preparation stage. The support team consists of family and friends who are willing to financially give to the trip's cost and/or commit to pray and encourage the participant. Raising support from the Christian community and friends, similarly to missionaries, is the foremost method of fundraising.
- West Park does not allow a team member to send out letters to the church's or ABF membership or directory at large. Contacts must be well-acquainted friends to be allowed.
- If more funds are collected than needed for the trip, excess funds will be used to support the Global Mission of West Park Baptist Church.
- Each team under-supported will be reviewed. All participants who are under-supported (targeted amount) will be asked to contribute an equitable amount to make up the deficit. Fulfilling individual financial obligations are required before applying for future Go Trips.
- Refunds will not be given for individuals unable to participate in the trip. Unused funds will be used to support the Global Mission of West Park Baptist Church.
- All gifts to individuals/teams are tax-deductible, including self-funding gifts.
- Support funds cannot be used for any personal expenses including; passports, luggage, souvenirs, etc. Team members should be prepared to personally invest in the support and costs of the trip.
- The Global Mission ministry may contribute funds for trip participants to help offset trip costs.

I have read the above Guidelines.
