John Perkins, *"One Blood: Parting Words to the Church on Race and Love"*

"Mosaic is not, however, a church focused on racial reconciliation. Rather, we are focused on reconciling men and women to God through faith in Jesus. Through these statements, we make clear that our church is focused on two primary works of reconciliation: first, on reconciling men and women to God through faith in Jesus Christ and second, on reconciling a local body of believers with the principles and practices of New Testament churches that existed at Antioch, Ephesus, and Rome."
