

ALL life is sacred, holy, and precious to God. During the month of January, the West Park Prayer Ministry Team would like to encourage our church family to use this daily devotional guide as we focus on life from the “womb to the tomb.”

Set a time to do this together with your household whenever possible. One method would be to use the family devotions format. After a meal, or at the time you choose, follow these simple steps:

Step 1. Have someone or several people read the passage(s).

Step 2. Discuss the passage(s) by asking: What does it say about God and us? What should we do in response to what we have read?

Step 3. Review what you have learned or have been reminded to think, to do, or to be based on the passage(s). Take time to turn these back to God in prayer. Praise Him for what His word has shown you. Ask Him to keep His promises in situations in your life.

Step 4. Take time to sing a hymn, song of praise, or spiritual together.

Take opportunities to encourage those in your community with what God is teaching you.
